

## REVISION FORMULARY

Technical information (to be verified before the academic revision) (verified correctly with "X")				
<b>Title:</b>				
<b>Presentation date:</b>				
<b>Classification:</b>	Article:		JLH Award:	
<b>Extension:</b>	Pages:		Words:	Characters:
<b>Language:</b>	Spanish:		English:	Other:
<b>Contains:</b>	Abstract:		Abstract # words:	Nº keywords:
	Abstract in English:		Keywords in English:	Title in English:
<b>Theme of paper:</b>	In the scope of IH:		Out of the scope of IH:	Partial adjustment:
<b>Unpublished:</b>	Author affirms it:		Author denies it:	It is a new version:
<b>References:</b>	Follows APA:		Short footnotes:	APA bibliography:
<b>General observations and corrections to be made:</b>	<ul style="list-style-type: none"> <li>•</li> </ul>			

Final decision (mark with X)	
	Accept the contribution as it is
	Accept the contribution with minor corrections
	Contribution could be accepted after a comprehensive revision
	Deny contribution
	Contribution doesn't fit in the scope of Ius Humani (Optionally: Suggest a Journal for this contribution)

(mark with X)	Excellent	Good	Sufficient	Poor	Comments (if there are)
Relevance of the theme					
Contribution originality					
Methodology					
Organization and structure					
Clarity					
Does the title reflect well the content?					
Does the Abstract shows sufficient information, and can be understood by itself?					
Are the keywords suitable?					
Is the main problem or thesis well delimited?					
Does the contribution analyze the main problem or thesis?					
Are the conclusions inferred from the analysis?					
Are the references relevant and sufficient?					

Justify your recommendation with your own words: (write here anything that you consider that must be corrected)
<b>Background comments:</b>
